

**University of Cape Town
Department of Chemistry
Faculty of Science**

Lecturer

The Chemistry Department within the Faculty of Science at the University of Cape Town seeks to fill a permanent academic position in physical chemistry at lectureship level, to strengthen its present research themes in Physical Chemistry: Biophysical and Bioanalytical Chemistry, Supramolecular Chemistry, Scientific Computing and Chemical Glycobiology.

Requirements:

- A PhD in Chemistry, with at least 2 years' relevant postdoctoral experience and a track record of publishing research outputs;
- Lecturing experience would be advantageous.

Principal duties and responsibilities:

- Develop a research programme in an area of focus in the Department;
- Develop and teach courses in the sub-discipline of Physical Chemistry at both introductory and senior undergraduate level (including service courses), and give specialist lectures at Honours (4th year) level;
- Supervise Honours, MSc and PhD students;
- Contribute to administration in the Department.

The annual remuneration package for 2014, including benefits is R484 656

To apply, please e-mail the below documents in a **single pdf file** to Ms Edith Graham at recruitment04@uct.ac.za:

- UCT Application Form (download at <http://web.uct.ac.za/depts/sapweb/forms/hr201.doc>)
- Motivational letter and a research and teaching statement
- Curriculum Vitae (CV)

Please ensure that the title and reference number are indicated in the subject line.

An application that does not comply with the above requirements will be regarded as incomplete.

Telephone: 021 650 5405
